

LATCHIYA M

☎ +91 9994958563 ✉ latchiya5415@gmail.com in latchiya-dev 🌐 Latchiya5415

SKILLS

Programming: Java, Python, C

Web: HTML, CSS

Database: MySQL

Core Concepts: OOPS, DBMS, SDLC, Debugging, Data Structures

Tools: Git, GitHub, Eclipse, VS Code, Power BI, Excel

PROJECTS

Attention-Driven DNN for Diabetic Retinopathy Detection

Dec 2025 – May 2026

Python, TensorFlow, Keras, OpenCV

- Developed an AI-based system for automated Diabetic Retinopathy detection and severity classification using AD-DNN.
- Implemented ResNet50 / EfficientNet with CBAM attention mechanism for retinal feature extraction and lesion-focused analysis.
- Achieved 95% accuracy and 0.998 AUC using public retinal image datasets.

AI-Driven Online Fake News Detection System

Mar 2025 – May 2025

Python, NLP, LSTM-GRU, GWO

- Developed an AI-based model to detect healthcare misinformation using NLP techniques.
- Optimized feature selection using Grey Wolf Optimization, achieving 98%+ accuracy.
- Published research in IEEE ICSCDS 2025.

Sales Data Analysis Dashboard

Oct 2025

Power BI, Excel

- Built an interactive dashboard analyzing sales, revenue, and customer trends.
- Used KPI cards, charts, and slicers for dynamic data visualization.
- Provided insights into product performance and regional profitability.

INTERNSHIP

Java Developer Intern – Tap Academy, Bangalore

Dec 2025 – Present

HTML, CSS, Java, SQL, JDBC

- Practiced Java coding scenarios and problem-solving, strengthening OOPS and programming fundamentals.
- Worked on SQL queries for data retrieval and manipulation in MySQL.
- Gained foundational understanding of web application development and debugging concepts.

Data Analytics Trainee – Sambhav Foundation, Chennai

Sept 2025 – Oct 2025

Excel, SQL, Power BI

- Performed data analysis and visualization using Excel and Power BI.
- Wrote SQL queries to extract insights and generate reports.
- Cleaned and transformed datasets for dashboard creation.

ACHIEVEMENTS

- Secured 2nd Prize in Technical Quiz at MINDSPARK'25.
- Completed workshops on AI/ML, Full Stack Development, and AI Tools.
- Served as President of IT Department, organizing technical events and initiatives.

EDUCATION

Idhaya Engineering College for Women

B.Tech in Information Technology, CGPA: 8.79

Tagore Matric Hr. Sec. School

HSC, Percentage: 88.67%

Tagore Matric Hr. Sec. School

SSLC, Percentage: 98.2%

2022 – 2026

Tamil Nadu, India

2022

Tamil Nadu, India

2020

Tamil Nadu, India
